

## JUNIOR SECTION

We're extremely proud of the young players who make up our small 'Junior' Section and we would love to grow these numbers.

This great sport teaches etiquette, discipline and patience. All that and it's fun too!

Last Season one of our Juniors, Ryan Tamburrino (pictured in the white jacket), qualified to compete in the National Championships at Ayr!

Junior Coaching starts at 6pm every Tuesday night during the bowling season.

Feel free to bring your kids along and let them have a try!

Blackford Bowling Club is affiliated to the Scottish Young Bowlers Association (SYBA) and Juniors are encouraged to compete at Under 17's level.

## OTHER CLUB ACTIVITIES

The club is open year round and although our main function is to provide the community with a first class lawn bowls facility, we offer a lot more than that!

During the winter months we run indoor carpet bowls every Tuesday night from 7 pm.

On Thursday nights the pool team play in the Auchterarder & District League.

Plus bingo every Saturday starting at 9.30pm and you can follow this with a game of pool or darts while listening to the juke box.

We also organise our own social events from Burns' nights, discos, race nights to tribute acts where some famous faces make an appearance. We even had a visit from Santa!

Our clubrooms are available for hire for all sorts of community, corporate, charity and church events. Give us a call to find out more!

## BOWLING FOR THE DISABLED

Last season we were honoured to host three disabled workshops. It was great fun and a huge success.

With this in mind, we would like to actively encourage anyone with a disability to come along and get involved. We'll do everything we can to support you. This sport really does have something for everyone!

Blackford Bowling Club is extremely proud of its disabled members. We look forward to running more workshops this season (1st, 8th & 15th May) and hope to increase our disabled membership.
