

The Complete Contractor

Advance Notification of Piling Works

Following a suspension of works relating to COVID-19, Luddon Construction will recommence piling works on 22nd June 2020.

Please be assured that Luddon Construction have put clear measures in place to ensure they can safely and responsibly restart works in line with all Scottish Government guidance on COVID-19.

Noise and vibration will be carefully monitored and controlled during the works in accordance with BS5228-1:2009+A1:2014 (*Code of practice for noise and vibration control on construction and open sites - Part 1: Noise; and Part 2: Vibration*).

Luddon will adopt 'Best Practicable Means' to minimise vibration including continuous monitoring of vibration levels for the duration of each pile drive.

Prior to the commencement of piling activities in March 2020, Luddon Construction offered and carried out a visual inspection on adjacent properties within a reasonable proximity of the works. Upon completion of the piling works a further visual inspection will be carried out to re-assess the properties.

The piling works are planned to be undertaken from 22nd June 2020 to 17th July 2020.

As a responsible neighbour, Highland Spring Group have no plans to explore the opportunity to extend construction hours in relation to the piling works as part of the temporary planning relaxation proposed by the Scottish Government for the construction industry. The works have been programmed to minimise the duration and therefore disruption to the local community and are planned to be undertaken during normal working hours, 07.00 – 19:00 Monday-Friday and 08:00-13:00 on Saturdays.

Luddon Construction would like to apologise in advance for any inconvenience this may cause.

If you have any questions or queries about our work in Blackford, please call or email Highland Spring Group on **01764 660637** or email blackfordrail@highlandspringgroup.com

All site operatives have been advised to direct queries to this phone number.

Regular project progress updates can also be found on the Blackford Community Council website.
